

CONT-F

TECHNICAL INFORMATION:

- ◉ **Trade Name:** Cont-F
- ◉ **Group:** Organic Fungicide
- ◉ **Produced by:** Green India Exports Pvt. Ltd.
- ◉ **Appearance:** Brownish Liquid
- ◉ **Formulation:** Soluble Liquid
- ◉ **Composition:**
 - Plant Extracts: 40%
 - Inerts: 60%

Cont-F is an organic and systemic fungicide which controls harmful fungi in plants.

MODE OF ACTION:

Cont-F works relocating the pathogen proteins and disrupting the cellular structure of the pathogen. After application, it inhibits mycelium growth and prevents the productions of sporangia (antisporeulant).

Cont-F is used in: fruit trees, vegetables, field crops, oilseeds and floriculture.

Cont-F inhibits growth of fungal mycelium.

Cont-F increases plant immunity against various fungal diseases such as downy mildew, powdery mildew, leaf spot, blights, etc.

Cont-F can be used in all crops without leaving any residue.

Cont-F solves the problem of resistance created by conventional fungicides.

RECOMMENDATIONS OF USE:

- **Cont-F** is used as a drench or through drip irrigation by using 2.5 – 3 l/Ha.
- It can be used also as foliar spray by using 200 ml in 100 liters of water.
- Repeat treatment after 7 days when weather conditions are favourable for the fungi development.
- Apply a third treatment, 21 days after the second application if necessary.

COMPATIBILITY:

- **Cont-F** is compatible with most pesticides and fertilizers, except alkaline ones. For further precaution, make a small test before mixing with other agrochemicals.

CAUTION:

- Shake well before use.
- Keep it out of reach of children.

STORAGE:

- **Cont-F** must be kept in its original properly labelled container well sealed and stored in a cool dry and ventilated place.

PACKAGING:

- 50, 100, 250, 500 ml, 1, 5, 20, 200, 1000 liters
