

MILAGRO/BRIO

TECHNICAL INFORMATION:

- ◉ **Trade Name:** Milagro
- ◉ **Group:** Organo Mineral Fertilizer
- ◉ **Produced by:** Green India Exports Pvt. Ltd.
- ◉ **Appearance:** Whitish powder
- ◉ **Formulation:** Soluble Powder
- ◉ **Composition:**
 - P2O5: 20%
 - K2O: 10%
 - B: 3%
 - Sugarcane extract: 0.2%

Milagro is an organo-mineral fertilizer containing Phosphorus, Potassium and Boron enriched with sugarcane extract and it does not contain any hormone.

Milagro acts as a plant growth stimulant very effective on all crops. It is an overall plant growth improver inducing the following physiological process in the plants:

- Deep, faster and vigorous development of root mass.
- Cell development and elongation.
- Enhances photosynthetic activity.
- Production of anti-oxidant and alkaloids for plant defence mechanism.
- Checks flower and fruit drops and improves fruit set.
- Checks alternate bearings.
- Delays senescence by ensuring continuous translocation of carbohydrates in plants reproductive parts like bud, flower and fruits.
- Improves brix and colour of the produce.
- Increase yield and enhances the keeping quality of fruits, vegetables and flowers.
- Breaks dormancy in deciduous trees.

RECOMMENDATION FOR USE:

- **Foliar Application:** Mix 25g of Milagro with 500 liters on water/Ha.
- **Soil Application:** Mix 50g of Milagro with 200 – 500 litres of water/Ha and apply in the soil near the root zone.

COMPATIBILITY:

- Milagro is compatible with most commonly user pesticides expect alkaline compounds.
- The product ingredients are of non-toxic and non-hazardous in nature under all conditions of environment (temperature, pressure and other parameters).
- Milagro is safe for human, animals and environment.

CAUTION:

- Shake well before use.
- Keep it out of reach of children.

STORAGE

- Milagro must be kept in its original container and stored in a cool, dry and ventilated place.

PACKAGING:

- 5, 10, 25, 50, 100, 250, 500, 1000 g pouches.
